

MAKE SMOKE & SOOT RESTORATION EASY

WITH DUSTLESS BLASTING®

Don't leave smoke damage untreated.

Remove damage from

- Metal
- Wood
- Brick
- Concrete

YOUR GUARANTEE

*With Dustless Blasting, you can offer homeowners, businesses, **insurance companies**, and management firms the safest and most affordable restoration solution.*

Get results faster with the Dustless Blasting system.

- Fire & Smoke Restoration
- Odor Control
- Restore, Don't Replace

Get homes & businesses back to their pre-fire condition.

Traditional methods like sanding can damage the surface further, and can rarely restore the surface back to its original condition.

Dustless Blasting is a non-damaging process, and allows you to choose from a variety of eco-friendly abrasives based on the job.
