

DUSTLESS BLASTING

THE PROCESS

1

INTRODUCTION

(Have an informal phone call)

- Get answers to any questions you might have.
- Learn what it's like to be a mobile blasting business owner.

2

DUE DILIGENCE

(We help guide your research)

- Discover your niche based on your interests, experience & connections.
- Find the services you'll offer in your area.
- Learn how to attract customers with our marketing packages.

3

MAKE A PLAN

(Hammer out the details)

- Confidently select the machine that fits your needs.
- Select your business name.
- Understand your earning potential based on hours worked.
- Choose the best way to pay for the equipment: a commercial loan, personal loan, or cash.

4

PREPARE FOR LAUNCH

(Pick up your equipment)

- Pick up your machine in Houston, TX and receive hands-on training.*
- Get ready to drive to that first job, and start making money!
- Experience the freedom of working for yourself.

**Can't make the trip? We can ship your equipment to you.*

5

ONGOING SUPPORT

(Get help, even after the sale)

- Join our private Facebook group of owner/operators just like you. You'll always have a support network to discuss pricing services, business advice, or share unique and interesting jobs.
- Receive our weekly customer newsletter.
- Access training articles and videos at any time.
- If you ever have issues, your Technical Advisor is just a phone call away!
